

Welcome back to a New Year "2014", we hope everyone had a Merry Christmas. We had such an amazing year in 2013 full of activities and we can't wait for this 2014. Our Christmas program was a success; we like to thank Little Seed's Staff and all the parents support. The children did an amazing job. We are excited to begin a new year taking care of your children providing a learning, fun and safe environment for them. Thank you for your trust in Little Seed!!!

Thank you for turning in your schedules a week in advance so we can prepare our staff for your child's attendance. Thank You!

Make sure your child Immunizations are up to date. Is really important for us to keep that on file. If you have any questions contact the Office please.

If we are transporting your child/ren to school in the AM, make sure you have them here by 7:30am due to the bad weather we need to leave earlier for the safety of your kids. Thank you for your consideration!

Little Seed Evolution

CHILD CARE CENTER.LLC

Winter season seemed to fill our center with a lot of sickness. We appreciate you keeping your ill children at home, to help stop the spread of sickness. Also please let us know if they have been diagnosed with a contagious disease so we can let other parents know.

Please make sure your child has extra clothes, blanket and sheet for nap time in their cubbies/boxes. Please remember is a state requirement that the kids need to have quiet time, everybody needs blankets, and also make sure your child has diapers, wipes and formula if is need it, please keep in mind that if your child uses day care items your account would be charge.

Registration is Ongoing!!
Please tell your friends, family, neighbors and thanks for your support!
